

| Course Title/Bulletin Description | Course Number | Pre-Requisite | Credit Hours | Instructor |
|--|---|--|-----------------------|----------------------|
| PHARMACY-BASED IMMUNIZATION | PHA 474 | PHA 334 | 1 | Dr. O'Brien |
| <p>This course shall provide the opportunity for student to become certified in pharmacy-based immunization delivery. This course is designed to teach pharmacy students (or practicing pharmacists) about vaccine-preventable diseases, about the many different vaccines available, and about optimal pharmaceutical care (including administering vaccines) for patients relative to immunizations. This course prepares students to provide a needed service to the community and obtain clinical experience in a new pharmaceutical care activity. (payment due one month prior to start of class) The materials fee for this course is \$120.00.</p> | | | | |
